

Dear employees,

Our benefit partner Belonio has informed us that on **November 14 - 2023**, the login process will be updated to optimize the security of the Belonio App in order to continue to meeting security requirements for the foreseeable future.

While updating to the new login process, the Belonio system will log you out once. You don't have to do anything but log in again.

To login, you need to know which email address you are using to access Belonio. If you don't know it or are unsure, please look it up in the Belonio app as soon as possible and make a note of it. For more information and instructions on how to look up your email address inside Belonio, please see the attached PDF flyer.
